FUTURE

THE BETH DILLINGER FOUNDATION: a not-for-profit 501(c)(3) corporation that provides support and education to boys and girls in need.

THE BETH DILLINGER SCHOLARSHIP FUND: a partnership with the Pinellas Education Foundation, provides two year scholarships to youth who wish to continue on to higher education after high school graduation, but do not have the funds to achieve that goal.

BETH'S CLOSET: at PACE Center for Girls in Pinellas Park, Florida, is a clothes closet where teen girls can find just about anything a teen would wish for or need. There are also "closet days" which are fun filled events centered around a holiday theme where the girls can choose two items to take home, along with a special gift that particular day.

NOURISH TO FLOURISH: a partnership with the 6th Circuit Public Defender's Office and the Beth Dillinger Foundation to feed chronically hungry children in our area. There are over 7,000 chronically hungry children in Pinellas County alone and our goal is to feed as many as possible.

THE HOPE CHEST: clothes closets are located in the Public Defender's Offices in Clearwater, Dade City and New Port Richey. These clothes closets serve young, abused, neglected or abandoned children, ages twelve to eighteen. Inside every Hope Chest are clothes, shoes, personal hygiene items, undergarments, books and bus passes which help to make their lives more functional.

BETH'S CORNER: created at Ready for Life, an organization whose goal is to assist youth aging out of the foster system. Inside this clothes closet are items for babies, toddlers, young men and women who are part of the Ready for Life community. You can find diapers, baby clothes, shoes, undergarments, casual clothing or more professional attire to help these youth dress for job interviews.
